My Dearest Cis

Just au revoir before I start, the weather is perfect this morning but I am afraid we are going to have a pretty warm day.

Now my own I am afraid I cannot say much this time but I will write you from Norseman when I arrive and send you a little account of the trip up. Just fancy pet I have the company of three old Norsemanites with me. Au revoir my dear own Cis enjoy yourself and address as usual. Here they are so bye bye, Good morning my love. It is rather early to imagine you flitting about a la

A la Red Riding Hood but I imagine I can see your happy face in sweet repose so with a big kiss

Yours for ever

Ray

P.S. Kind regards to all

Please excuse scribble as I am shaking all over being in such a hurry

Good bye my own X

Ray
